HARD GRID BATTLE WITH C. U. TOMORROW

Spectacular Football Expected
From Evenly Matched Teams.

BOTH ELEVENS CONFIDENT

Game Scheduled for 2.30 P. M. at
American League Park—Athletic
Tickets Must Be Exchanged.

G. W.'s football team plays its second home game of the season with Catholic University this Saturday, November 11, 2.30 p. m., at American League Park. Both teams seem to be evenly matched, and judging from past performances, some good, spectacular football will be played.

C. U. has been drilling hard every day under Coach Dooley during the past week, and will probably spring a bag of trick plays that will keep the Hatchette defense guessing. C. U. like G. W. has gone through a rather stiff schedule, and coupled with the fact that the Freshmen rule was inaugurated there this year, has made the going pretty hard. They have been able to win only one game so far, but have confidence of coming through with several more victories. The eleven is in fairly good condition and the entire line-up that started against Washington College and Villa Nova, with the exception of Riley, will tackle the Hatchettes.

G. W. has been pointing for this engagement with determined spirit, and the team has hopes of duplicating its win over Gallaudet last Saturday. All of Coach Quigley's men emerged from the fray free from injuries, and the same team will face C. U., with the exception that Buckheiser may be seen at tackle.

The athletic tickets will not admit to the game, but they can be exchanged for valid ones at the treasurer's office at Twenty-first and G Streets, or at the offices of the Medical or Law School.

All indications point to a large G. W. representation in the cheering sections, and it will be treated with a hard fought battle.

Jos. W. Palmer, editor of the Cherry Tree.

ENGINEERS TO MEET

Walter H. Free, president of the Junior Engineering Class during 1921-22, has called a meeting of the graduating class of the Engineering College for Monday evening, November 13, at 8 p. m., in the chapel, Lisner Hall. All graduating engineers are urged to attend by Free.

FROSH TO ELECT

Heath Melton, chairman of the Elections Committee of the Student Council, has called a meeting of the Freshman Class of Columbian College, Thursday, November 16, in the chapel of Lisner Hall.

MURPHY'S DROP KICK MARGIN OF VICTORY

Hatchettes Score Touchdown on Pass
From Murphy to Capt. Ptak.

Jerry Murphy's long boot over the uprights Saturday gave George Washington the margin of victory over Gallaudet College at Kendall Green, the final count being 9-6.

The Hatchettes had the ball deep in Gallaudet territory most of the game, and only bad breaks kept the Buff and Blue score down.

The Quigleyites got their chance early in the game when Captain La Fountain, of Gallaudet, was invited out of the game for using his foot promiscuously on a G. W. player and getting a long penalty for his team as a result. G. W.'s captain, Ptak, then carried the ball over on a long pass from Murphy.

Gallaudet's score came as the result of long passes, a blocked kick, and a long end run. Neither team gathered the extra point on attempted drop kicks.

Then early in the third quarter, with the score a tie, Murphy pulled his "Charlie Brickley" standing on the forty-yard line. It was a perfect kick.

With the lengthening shadows, Gallaudet opened up an air attack which threatened to topple the Hatchettes, but it fell short on the twenty-yard line, and the whistle blew to end the game, and the huge crowd of about fifty students swarmed on the field. Curran, substitute halfback, Ptak, end, and Allen, tackle, played a great game for George Washington.

BASKETBALL MEETING SCHEDULED FOR NOV. 16

On the evening of Thursday, the sixteenth of November, the first meeting of George Washington's girl basketball players will be held at Lisner Hall. Plans are being formulated to make this the most successful year of girls' basketball ever held at the University. An unusually large number of girls are expected to turn out at the first meeting, for no restriction is put upon the candidates for teams. It is not necessary that the girls know how to play basketball, but only that they be willing to work and learn.

Some plans for the year have already been completed. The gymnasium of the Holton Arms School has been secured for practice on three evenings each week. Monday evenings at 7.45 all girls will report for practice, Wednesdays will be open to half the girls, and Thursdays are to be reserved for the other half. The Holton Arms School is situated between Seventeenth and Eighteenth on Church Street.

Physical exams are required of all prospective players, and may be taken at the office of Dr. D. L. Borden, the Rochambeau, any afternoon between 3 and 5 o'clock.

All girls who are coming out this year, whether they can play basketball or not, are urged to attend the first meeting in the chapel of Lisner Hall at 7.30 p. m.

SOPH CLASS COMMITTEES ANNOUNCED BY AL FOLEY

Alfred Foley, president of the Sophomore Class, Columbian College, has announced the appointment of the following class committees:

Social Committee: Fred Youngman (chairman), Marguerite Daly, Allen Coe, Mary Barr, Clifton Severance.

Publicity Committee: Robert M. Bolton (chairman), A. U. Ludwig, Ruth Foster, B. G. Lewis, Elizabeth Whitfield.

Financial Committee: Harold Young (chairman), Dorothy V. Bartley, Douglas Clephane, Emma Tom Fusch, Mary Rawlings.

CHEER PRACTICE.

There will be a big rally on the campus at 1.15 to practice some yells for the Catholic University game. The cheering will be led by Ed Taber, and Dean Wilbur and Bryan Morse will speak. Everybody come out and practice the yells and root for the team at the game.

PLEDGE SIGNERS TO BE ADMITTED TO C. U. GAME

Cards Not Honored at Game—
Tickets To Be Had at
Treasurer's Office.

PROGRESS OF DRIVE SLOW

One or More Activities To Be Dropped
Unless More Signers Are
Obtained.

Students who sign their Activity Pledge Cards before the George Washington Catholic University football game will be admitted to that game, which is considered one of the most important games on this year's schedule. Those who sign the pledge must take their cards over to the treasurer's office to get a ticket for the game, as Pledge Cards will not be honored at the Central Stadium.

At present the progress of the campaign is singularly discouraging according to the number of students who have already signed the pledge. Approximately nine hundred signers have been obtained to date. Last year nearly eleven hundred people had "come across." Various student officers have gone before a number of the classes in the school and made personal appeals to the members of those classes. In one or two cases these appeals were successful.

"The Pledge Drive is progressing very slowly," says Bryan Morse, director of Student Activities. "There are only about nine hundred signers to date. What is the matter with G. W. school spirit? Don't we want to keep all our activities?"

The Board of Student Managers is considering the dropping of one or more of the activities if no more signers are secured in the near future. The board is of the opinion that the student body should not expect to have the present number of activities if they do not back them up. All of these student officers feel that five dollars a semester is not too much to expect the students to pay for the support of their activities in view of the large number of benefits accrued.

Y. W. C. A. FAIR EVENT OF COMING WEEK

Dog Show, Vaudeville, Snake Charmer,
Refreshment Booths, Shooting
Gallery, and Swimming
Meet to Feature.

The main event in the social calendar of the University for the coming week will be the County Fair, given by the Y. W. C. A., to be held Friday evening, November 17. Starting out very quietly this affair has gained importance until now almost every organization in the school has a part in making it a success.

Besides being a County Fair with booths of every description, it will also have some of the earmarks of a circus. Princess Zoza, the palmist, and Juanita, the wandering gypsy. A swimming meet, a shooting gallery, and a dog show will appeal to the athletically inclined persons who can't be bothered with these lovely foreign ladies. For the hungry there will be hot dogs, candy, cake, and ice cream, which will be all that is needed for them to have a good time. Finally there will be a continuous vaudeville performance, which is included in the price of a ticket, and a play, which will be given all evening, with the finest talent of the University.

PYRAMID TO ELECT SOON

Who will be the four auspicious Seniors to be elected to Pyramid Society? A paramount question to be decided shortly. At a meeting of the society to be held the last of November, eligible names will be proposed, and after consideration of records and general qualifications, elections will be made at the first December meeting, and immediately after announced.

FOOTBALL HOP

The annual Football Hop will be held in the ballroom of the City Club on Friday evening, December 8. Dancing will last from 9.30 p. m. to 1.30 a. m. Meyer Davis music. Buffet supper of large proportions will be served at midnight.

NO HOLIDAY NOV. 11

"I am afraid there will be no holiday Saturday," said Dean Hodgkins, President of the University, "and that we shall have our classes as usual, since nothing has been heard of declaring Armistice Day as a legal holiday in this city."

\$1,000,000 ENDOWMENT DRIVE TO BEGIN SOON

Entire Country to be Canvassed as
Soon as Conditions Warrant,
Says Hodgkins.

Plans for a \$1,000,000 endowment fund are being formulated by President Hodgkins.

At a meeting held Tuesday, November 22, 1921, the board of trustees recommended that such a movement be started.

The entire plans have not been completed as yet, but this much is known, the endowment is to come from Alumni and persons interested in the development of George Washington University who are scattered all over the country. The goal is to be \$1,000,000, but if more money can be raised the work will be continued until the source of income is exhausted. Another thing, Washington is expected to contribute one-third of the amount.

At the present time numerous campaigns for money are on foot, so a definite date for starting the drive has not been decided upon. The settlement of these campaigns will detract from the full significance of G. W.'s campaign. The committee is also waiting the developments of certain other preliminaries before starting the main drive.

President Hodgkins said: "The plans developed thus far will, when put into action, be successful, but for reasons that can not be published yet, we are marking time, waiting for the right developments that will help the George Washington University endowment fund campaign to be successful."

COLUMBIAN JUNIORS ELECT NEW OFFICERS

Eugene Thomas, New President, Plans
Mixer for Near Future.

With a large attendance and much enthusiasm, the last Junior Class of Columbian College held its first meeting last Friday night, for the election of class officers. Eugene Thomas was elected president.

Gene Thomas took the chair, and proceeded with the other elections, which resulted as follows: Vice president, Marion Bailey; secretary, Louise Espy; treasurer, Ronald Marquis; sergeant at arms, Martha Dunham.

With a president already so well known for his interest in student activities, and with such enthusiastic officers and members as the Junior Class has this year, 1922-23 promises to be one of the biggest years any Junior Class has ever had at G. W. U.

Many social events are expected for the year, though as yet, no dates have been set. A junior mixer is being planned for the near future; the committee for setting the date and making arrangements is to be appointed within the next few days. All juniors watch the Hatchet for further notice.

The Law School Juniors are to combine with the Columbian Juniors to make Junior Week this year one of the most brilliant series of events the University has yet seen.

SENIORS ELECT

The following officers of the Senior Class were elected at their meeting last Friday evening:

President, Bernard Viens.
Vice President, Frances Foster.
Secretary, Frances De Grange.
Treasurer, John Metzgerott.
No other business was taken up at this meeting of the graduating class.

INTERFRATERNITY SMOKER AT P. S. K.

At the interfraternity smoker to be held on Friday evening, November 10, at the Phi Sigma Kappa house on Massachusetts Avenue, football songs and cheers will be practiced under the direction of Jack Daily, cheer leader.

It is planned to elect several other cheer leaders, who will be on hand to direct the cheering at the game Saturday.

DECLARES FALL COUNCIL ELECTION IS NOT VALID

Stanley Wright, Law School Representative, Elected President of Council.

MINOR SPORTS ELEVATED

Managers of Girls' Basketball and Swimming Elected—Pledge Drive Committee Named.

Owing to the small number of votes cast at the Student Council election held last Tuesday and Wednesday, the council decided last night that they would be held open until such time as the student body shows some action or desire for another election. The following resolution was adopted:

"Upon receipt by the chairman of the Student Council Election Committee of a petition signed by at least ten per cent of the students in any department of the school a new election would be held."

Heath Melton, 647 1/2 G Street N. E., is chairman of the Elections Committee.

Stanley Wright, of Law School, was elected president of the Student Council.

It has been decided that certain sports now listed as minor, be changed to major sports, and that major letters be awarded to those deserving such honor. Those sports to be changed are Girls' Swimming Team, Men's Tennis Team, Men's Rifle Team, Men's Wrestling Team, and Girls' Tennis Team. It has also been agreed that the Georgetown-George Washington game be considered a letter game, and any player participating in that game will be awarded a letter.

The following appointments were made: Anne Hof, manager Girls' Swimming; Anne Hof, manager Girls' Basketball Team; William Whitson, assistant manager of Track Team.

J. Foster Hagan was appointed chairman of the Student Activities Pledge Committee. The other members of the committee are Stanley Wright, president of the Student Council, and Preston Haynes.

Applications are desired for the positions of assistant manager of Swimming and Girls' Cheer Leader. They should be submitted to Hillary Tolson, at 1733 N Street N. W.

At the adjournment of the meeting it was voted to hold Student Council meetings on the first and third Tuesdays of each month. The next meeting will be Tuesday, November 21.

LAW SENATE REORGANIZES; PROM TO BE AT RAUCHERS

The Law School Senate effected its permanent organization last Wednesday evening, after seating the newly elected Freshman members. Miss Clara Cain, who had been acting as temporary secretary for the past few months, was elected president. Other officers elected were Raymond F. Wiseheart, vice president, and Margaret Conlyn, secretary.

After a thorough discussion, the senate decided to take a very active interest in the Student Activity Pledge campaign. Dean Person announced that he would permit five minute speech before class in behalf of the campaign. Wiseheart, Wheeler, and Johnson were appointed a committee to have charge.

It was also decided to hold the annual Law School Prom at Raucher's on Friday, February 9th.

G. W. CLUB MEETS TUESDAY

The G. W. Club will meet in the Law School Tuesday evening, November 14th, at 8.15. Earle Manson, the president of the club, is anxious to have all members present, as the business and social events of the year are to be discussed.

S. P. E. OPEN HOUSE

Sigma Phi Epsilon will be hosts to the University at a tea dance to be held to-morrow, Saturday, November 11, from 5 to 7 p. m., at their house, at 1810 Connecticut Avenue. All members of the University are cordially invited to attend.

WASHINGTON, D. C., NOVEMBER 10, 1922

The Student Pledge

The reputed George Washington students who are in attendance at classes in the different departments are evidently well satisfied with the outcome of the student pledge drive. To the present date some seven hundred have so far forgotten their own personal affairs and pecuniary considerations as to affix their signatures to the pledges that extract from them the sum of ten dollars.

Signing the pledge is equivalent to and an indication of a show of interest, however casual, in the University student activities. Presumably, the candidates for degrees and those interested in special work do not desire to evince this interest. They are content to assume an attitude of laissez-faire and reap the benefits, seldom realizing that George may have his hands full.

Two thousand student signatures are imperative to the success of the activity program. Yet, with more than a month of school gone, and with but slightly more than a fourth of the requisite signatures obtained, the voluntary pledge is dissolving into thin air.

The students are satisfied. So let it be!

Tomorrow

One year ago tomorrow a magnificent memorial, the Arlington Amphitheater, was dedicated to the memory of an unknown soldier who gave his life that this Republic might be saved. University men, and women, too, all over this country have an especial interest in Armistice Day, because when war was declared in 1917 these students were the first to volunteer their services to their country. The cold and impartial records of the War Department contain thousands of entries relative to the glorious deeds they performed.

With strife and chaos so apparent in the world today, no one knows but that the Nation which is at peace now may be at war tomorrow. As those who attended American colleges in 1917 were compelled to lay aside their books and take up arms in the defense of these United States, so would the students of George Washington University have to enter the military or naval service if war were declared again.

Honor, on this day, those who fell in the recent Great War, those who went "west" that you might be living the peaceful life you now enjoy. Dedicate yourself to them today in whatever manner may seem to you best fitted. Do not forget, however, that your turn may be next. With your training and your knowledge you can realize the insidious attacks that are being constantly made at the foundations of this Nation. Stamp them out. Prepare yourself to uphold the splendid traditions established by those who have gone before you.

Council Elections

Less than one hundred votes were cast at the election held for the Student Council last Wednesday. This out of twenty-eight hundred qualified voters.

Election to the Student Council is one of the biggest honors a student can obtain in the University outside of the scholastic field. The Council decides all policies in regard to student affairs, supervises all athletic schedules, but yet only one student in Columbian College aspired to this honor, and he received only one-fifth of the qualified vote.

The Council did right in not seating these candidates until they can awaken enough interest to get out a larger vote. A new election will be held whenever any person registered in Columbian, Engineering, or Teachers' College presents a petition signed by ten per cent of the students registered in his or her college.

Let's have some competition for this high office and a large vote in all departments.

Footprints

"Great men leave behind them
Footprints on the sands of time."

PRESTON HAYNES

Preston Haynes graduated from Hopkinsville High School, Kentucky; played on baseball team, on track team, and debating society; soloist for orchestra; came to G. W. in 1917; Cherry Tree staff in 1920; chairman of Junior Prom Committee in 1920; chairman of Junior Play, 1921; Glee Club president, 1921; track in 1920, Student Council in 1921-22. Is member of Pyramid Honor Society and Sigma Chi Fraternity.

ELIZABETH EARNEST

Elizabeth Earnest graduated from Western High School in 1918—came to George Washington in the fall of that year; was member of Student Council four years, vice president of Student Council two years; associate editor of Cherry Tree, vice president of Dramatics, manager of tennis, on swimming team, vice president of Sophomore Class, member of Sphinx Honor Society, and Pi Beta Phi Fraternity.

THE SPY

Garrick.

Manager Taylor promises us another treat. That excellent actor, O. P. Heggis comes to the Garrick Monday night in "Fashions for Men," a comedy by Ferenc Molnar, the author of "Lillom." The locale of the play is in Buda Pesth, and the leading figure that of a gentle shopkeeper. The play has enjoyed great popularity abroad, as did also the famous "Lillom." The English text is by Benjamin Glazier, who also translated "Lillom." The star is well supported by a capable cast, the play is excellent, and the whole ensemble should offer a treat to lovers of intellectual drama such as Molnar always gives to us. It is certain to be out of the ordinary and should be a pleasure to look upon.

President.

The Presidenters still hold the fort and their strength seems to be growing. Next week they will give us their version of Jane Cowl's great success, "Smilin' Through." They will have new costumes and new scenery, and two weeks of rehearsal in which to perfect the lines and action. The plot of the play is too well known to require repeating, and the Presidenters are capable of doing it justice. It is beyond doubt a stock organization, par excellence, and we can look for an excellent portrayal of their latest vehicle. Henry Duff and Eileen Wilson will again lead out and the rest of the company will have suitable roles.

This Week.

Otis Skinner and a large part of Washington are at the Garrick these evenings. He is again smashing it across with "Mister Antonio," a pleasing and sympathetic comedy which the audience "eats up." The pleasantest thing offered here this season. Highly approved.

The Presidenters hold over "Turn to the Right" for the second week at the President, Washington's prettiest theater. An enjoyable comedy, well portrayed, and worthy of your attendance. An evening with Henry, Eileen, and company is an evening well spent. Approved.

"Save the surface you save all," read the little co-ed. So she went home and caked on three coats of paint.

"Is this the best you could do?" sneered the co-ed as she gulped down the best portion of a quart of pure Bordeaux.

"Well, of all the nerve," she said, slapping him in the face when he kissed her.

Langer: "Well, then," he pouted, "if that's the way you feel about it, get off my lap."

Hixon: "I'd like a dollar's worth of kisses, please."

Clerk: "Do you mind if they are burning hot?"

Hixon: "Not at all, just so they are well done."

FALL TENNIS TOURNAMENT CLOSES; PROSPECTS BRIGHT

All Matches Hotly Contested—Elizabeth Chickering Wins First Honors.

The end of last week marked also the end of a hotly-contested and particularly interesting girls' tennis tournament. The final meeting between Elizabeth Chickering and Margaret Brewer was a spirited and very close engagement, which ended with a victory for Miss Chickering, 10-8, 4-6, 7-5.

The end of the preliminaries this year found only the finest tennis players in the University still in the running. The four girls thus singled out of many were Margaret Brewer, Nelda Umbeck, Elizabeth Chickering, and "Bee" Woodford. The defeat of Nelda Umbeck by Margaret Brewer and "Bee" Woodford's loss to Elizabeth Chickering left only two girls still contesting the final honors.

The last meeting was a battle royal. The result tells better than anything else the closeness of the match, the issue being in doubt until the end. Elizabeth Chickering had a slight advantage over her opponent in the matter of speed and delivery, but Margaret Brewer's splendid all-round playing kept her in the running all the time.

This year's fall tournament has been a particularly satisfying one from every viewpoint. The entrants were numerous and enthusiastic, as well as being fine tennis players. Some very promising material was brought to light in the Freshman Class, which can be counted on to make future tournaments as interesting as this one has been.

SPANISH CLUB ELECTS

El Circulo Espanol will hold its next meeting on Thursday, at 8 p. m., November 16, 1922, at 2017 G Street N. W., first floor rear. Plans are being made by the officers to have a lecture, and other features of entertainment.

At the last meeting, November 2, the following were elected: President, Juan Azula; vice president, Caroline E. Petersen; secretary, Eleanor McMurchy; and treasurer, H. N. Weigandt. After taking the chair, Mr. Azula stated that he would do everything possible to increase the activity of the club.

JUNIOR TEACHERS TO MEET

Juniors of Teachers' College are called to a meeting for the election of officers by Myrtle Yost, president of last year's Junior Class, on Wednesday evening, November 15, 1922, at 7 o'clock in the chapel.

All Juniors are urged to be present in order to make plans for the coming year.

NOTICE TO NEW WOMEN!

By order of Anna L. Rose, Dean of Women, the women's fraternities are forbidden to extend invitations for membership to new women students until February 22, 1923, and at that time only to those who have carried their scholastic work in the first semester with an average grade of 85 per cent.

LAW SCHOOL AVERAGES OF FRATERNITIES COMPILED

Phi Sigma Kappa Leads, With Three Frats Yet to Report.

Some time ago "The Hatchet" published the averages of fraternity men in the Department of Arts and Sciences. There was a protest on the part of the fraternities on the score that the averages published did not represent the general averages of the fraternities. Owing to the different standards of the Law School and Columbian College, it is impossible to make a general average. The averages of the Law School, however, have been completed separately. In rating these averages it is important to note that 85 represents a grade of "A" in the Law School, while "A" is 93 in Columbian College.

The Law School averages:

	Per cent.	Students
Phi Sigma Kappa	74.98	25
Sigma Alpha Epsilon	73.06	7
Sigma Chi	72.07	19
Phi Chi	72.02	9
Sigma Phi Epsilon	69.08	14
Sigma Nu	68.07	19
Kappa Sigma	66.04	7

Repeated efforts of Mr. Jordan to secure the averages of the other three fraternities have been unavailing. They will be published in a future edition of "The Hatchet."

DR. JOHNSON SPEAKS AT Y. W. C. A. BIRTHDAY

"The Prophets of the Lord and Baal" was the text of a very interesting talk by Dr. Johnson at the first anniversary meeting of the Y. W. C. A. at the chapel last Monday. He compared the following of false gods to the following of false ideals, and pointed out the futility in seeking for anything but truth. "This," he said, "should be made a strong force in University life."

The prayer was given by Dean Wilbur.

Dean Wilbur, Dean Rose, and Freida Klenk were on the platform.

After chapel a luncheon was served in the W. U. C. rooms. The girls celebrated in true festive style. Miss Freida Klenk gave an insight into the student organizations in the colleges of Pennsylvania, Maryland, and Virginia, which she visits. Many helpful suggestions were given.

COMMITTEE APPOINTED FOR JUNIOR MIXER

A committee has been appointed by Eugene Thomas, president of the Junior Class, to discuss plans for a big Junior Mixer. Those composing the committee are: Earle Manson, chairman; Charles Dyer, Marion Barker, Abigail Lane, Arthur Rosenlund, Maxine Rolfe, Helen Stoutameyer, Clyde Tolson, Caroline West, and Katherine Bryant. The committee will meet soon to make arrangements, and are looking forward to a big success. This is the first Junior event of the year, and it is hoped that the good spirit shown in the organization meeting will make a success of the Mixer. An orchestra of at least three pieces will furnish the music.

ENROLLMENT NOW 4,307

The latest figures for the enrollment were given out Tuesday, and while not showing a startling increase over the figures of last year, at least bear witness to the fact that George Washington University is steadily moving onward and upward.

Graduate Studies	273	293

RHETORIC CLASS ELECT HONOR COMMITTEE

Five students were elected in Dean Wilbur's Rhetoric Class to serve on the Honor Committee. They are, Elizabeth Dorsey, Eleanor Dobson, Roland Howenstein, Melvin Lindsey, and Mr. Starr. The duties of this committee are to see that there is no copying of themes, and to deal with any such instances in a manner they deem justifiable. It is believed by Dean Wilbur that the student body has a fine moral sense, and it follows that the committee will have little work to do.

BOWLING LEAGUE PLANNED BY PAN-HELLENIC COUNCIL

To be Run on Same General Principles Which Govern Interfraternity Organizations.

Innovations are in order this year at George Washington and among the newest enterprises is an intersorority Bowling League, under the direction of the Pan-Hellenic Council. Plans are still indefinite and will remain so until the next meeting of the council on Monday night. A manager will be appointed and a schedule arranged, taking into account the seven sororities expected to compete.

The league will be run on the same general principles which govern the Fraternity Bowling League. All contests will be held at the Recreation Bowling Alleys, which are located on G Street near Ninth. Either Wednesday or Thursday night will probably be selected for practice.

Bryan Morse is much in favor of the proposed league by the sororities, and has suggested offering a cup to the winning team. Success this year will undoubtedly mean an indefinite continuance of the league, and it is expected to greatly enhance the interest shown in all sorority competition.

PUNTS AND PASSES

G. W. avenged last year's tie on Saturday by beating Gallaudet 9-6.

The Gallaudet cheering section, with their drum and their applause, made more noise than the few loyal G. W. rooters were able to produce.

The Gallaudet stands produced a banner urging their team to cut down G. W.'s Cherry Tree. The staff of the University Hatchet distributed "Hatchets" to aid the cause.

George Washington has scored four touchdowns this season, and all of them have been scored by the ends, two by Ptak, one by Altrup, and one by Wells.

O'Keefe was so dazed that he lost all track of time and place.

Horany and Kenouski arrived during the third quarter, and dressed on the field with the aid of a screen of substitutes.

G. W. completed five of eighteen passes; Gallaudet completed six of twenty-two attempts.

Buckheister, who has been ill, has returned to the line-up, and will be seen in action against C. U.

PAN-HELLENIC WORKING FOR PLEDGE SUCCESS

The Pan Hellenic Society is working for a 100 per cent record of signers of the Activities Pledge among the sororities. Miss Georgie McCauley, president of the association, reports favorable progress and a majority of the sororities are expected to support the pledge unanimously.

Many sororities have answered the call. Sigma Kappa has signed every girl of their membership and Chi Omega has almost reached 100 per cent record. Pi Phi, with several of its girls out of town, is sending cards to them, and the other sororities are working hard to make the 1922 drive the most successful of history of the Student Activities, and within the week all those that have not yet signed are expected to do so.

DEBATE ON EUROPEAN POLICY IN TURKEY WON BY AFFIRMATIVE

Kansas Industrial Court to be Debated
Next Week.

A hotly contested debate on the question, "Resolved, That the policy of England in keeping Constantinople under European control is necessary for the progress of peace and the civilization of the world," was won by the affirmative by a decision of 2 to 1, composed of Messrs. Wright, Haycroft, and Chesnulis. The negative argument was presented by Messrs. Zabel, Williams, and Scheuffer.

Honorable mention was conferred upon Oscar Zabel, and first and second honors were awarded to Edwin Sheufler and Mr. Chesnulis, respectively.

The subject for next week, "Resolved, That the Kansas Industrial Court plan of adjusting industrial disputes should be adopted throughout the United States," will be debated on the affirmative by Messrs. Davis, Friedman, and Levinson, and the negative by Messrs. Nixon, Stevens, (open).

President William Reese, of the society, is highly pleased with the attendance, and urges everyone interested in this line of activity to meet at the Law School every Friday evening, in room 2.

HATCHET STAFF TO GIVE THANKSGIVING DANCE

Cub reporters whose thoughts for the past few weeks have been occupied with news stories and interviews, will forsake these characteristic associations and bow to the King of the Jazz when they will fill the role of guests of honor at the Thanksgiving dance Saturday evening, November 25.

Promoted by the Hatchet and Cherry Tree staffs, who are being assisted by the Phi Delta Epsilon journalistic fraternity, this, the first dance of the season, is eagerly anticipated by the students.

REGISTRARS TRAVEL.

Miss Rose and Miss Kincannon represented the District of Columbia at the meeting of the Delaware and Maryland branch of the American Intercollegiate Registrars Association, held recently at Baltimore. The conference was held for the purpose of furthering cooperation in methods of registration and for discussing problems to be brought up at the next meeting of the American Association.

JUNIORS WILL EXTEND WELCOME TO FROSH

To Found Tradition of Junior-Freshmen Friendship Prevalent in Other Schools.

TO EXPLAIN G. W. PLANS.

School Spirit to be Demonstrated by G. W.—Cheers and Songs Led by Jack Daily.

Last year the Frosh were greeted by the Sophs with eggs and kidnapping and shaven heads. This year the Juniors are going to extend the hand of fellowship and love and class-matishness, and all that sort of thing with a big party.

If the plans announced to-day by Eugene S. Thomas, newly elected Junior president, go into effect, the Frosh are to be officially welcomed by the Juniors in the near future. It is hoped by making this affair a big success the foundation will be laid for making an annual Junior-Freshman event a tradition of G. W. U. to be observed throughout the succeeding generations.

In dim, dead years long past a smoker was held for the male members of the Freshman Class by the Interfraternity Association in recognition of the custom among Universities of observing the Junior-Freshman Entente-Cordiale against the combined efforts of the Seniors and Sophs. The hospitality was for some reason discontinued, and it is the earnest wish of the Junior Class officers that the idea be again taken up on a more elaborate scale. An ultra-modern reincarnation of such a smoker might suggest to some that no longer would smokers be limited to male members, but that its scope might now be extended to meet with the fullest approval of those progressive leaders of the weaker sex who are seeking to remove through constitutional amendments, etc., all sex disqualifications.

A competent committee, headed by Ronald Marquis, has been appointed to take the project up with Dean Rose and investigate its possibilities and probabilities. If the plan goes through the welcoming will likely take place next week, and in a place large enough to accommodate the two classes and exclude the others. But meager information is available as to the program, but it is likely that the heads of the different University organizations will recognize it as an opportunity to explain their hobbies and secure converts. Jack Daily and his assistant cheer leaders will be on hand to lead in G. W. songs and cheers, and the spirit of the Alma Mater will be out.

Junior Class officers are enthusiastic over the idea and hope that it may become a George Washington tradition, and that early each year the Junior Class will express in the form of a party the welcome that each student feels for the incoming Freshmen.

SCANDAL?

One of our collegiate co-eds left a hat by mistake in the car of one of our esteemed professors, who very honestly presented it to the registrar in the hope that it would eventually be returned to the rightful owner. That hat may be recovered if the owner will call at the registrar's office.

NEW DOMESTIC SCIENCE QUARTERS NOW OPEN

Domestic Science pupils laid aside scissors and saucepans on Monday, and armed with aprons and dust cloths descended upon their new quarters in Twentieth Street. The new home was christened with much elbow grease, as dusters were wielded and new equipment placed for the official opening of classes last Tuesday.

Great enthusiasm is manifested over the plans of President Hodgkins, who intends next year to place the Domestic Science course in a group as a major. In this event extensive nutrition and chemical laboratories will be added, and a new building requisitioned. According to Miss Evans, the prerequisite for the course as a major will probably be elementary chemistry.

If plans and ideas materialize the Domestic Science School will hold a tea for the faculty at Thanksgiving.

ENOSINIAN PLANS CENTENNIAL BANQUET

Plans were definitely laid for a banquet to celebrate the Enosinian Society's hundredth anniversary at a meeting of the society Monday, November 6. A committee was appointed to bring to completion all arrangements in connection therewith. Tentative dates have been set as November 27 and December 11. The presence of a prominent speaker for this occasion is being arranged for.

The society also voted to admit Mr. Smith to membership. The next meeting of the society will occur on Monday, November 20th, at 2023 G Street. Part of the evening will be devoted to the dedication of the room in which the society has been holding its meetings as Enosinian Hall. All those interested are invited to attend. Applications for membership will also be received at this time.
